Volunteer Appreciation Cookout

On Thursday September 28th, we will be celebrating our many volunteers with a cookout featuring hamburgers, hot dogs and all the fixings. Food will be available between 11am and 1pm. No need to RSVP, show up and enjoy the fellowship.

UPDATES:

International Shipments:

It's been a fast and furious year for Hands of Hope NW. We continue to send shipping containers full of medical supplies to Ukraine. Since the start of the war, we have shipped over five million dollars' worth of supplies and equipment to help replenish Ukraine's hospitals. Medical mission trips are finally getting back to normal after Covid. Our staff and volunteers are busy sending out requested supplies and making sure that what we send will be useful. In the next month or so we are planning on sending a shipment to Guatemala and Papua New Guinea. It's amazing how quickly we can refill the warehouse after sending a shipment.

Staffing:

Ashley Jenkins has joined our staff as an office assistant. She will be running our Local Loan Program and helping with other projects around the ministry center.

Many thanks to our GIK donors and the volunteers that sort and pack everything.

OPPORTUNITY

REVIVE OUR SYMBOL OF HOPE

Our symbol of hope, the sign in front of our building, is in a state of disrepair. Cracks, fallen stones, and rust have taken their toll. To ensure its preservation, we've initiated the "Revive Our Symbol of Hope" fundraising campaign. We pledge to match all donations, up to \$2000, with a goal of reaching \$4000.

Your support is crucial to this mission. Every dollar you contribute brings us one step closer to rejuvenating this iconic landmark that has been a source of inspiration and hope for our community for years. Please consider making a donation, no matter how small, to help us meet our goal. Additionally, spreading the word about this campaign to aid in the restoration process would be greatly appreciated.

Together, we can restore our symbol of hope to its former glory and ensure that it continues to inspire and unite our community for generations to come. Visit www.HandsOfHopeNW.org to contribute and be a part of this important endeavor. Thank you for your support.

"To do more for the world than the world does for you – that is success."

Henry Ford
