Thank you for your support of the Hands of Hope Northwest ministry.

Executive Director

Special times can be arranged for your group, however our normal hours for volunteers are Tues.-Thurs. 9am-12pm. We have found that scheduling groups for two hours at a time works best.

Please list the top three dates and times your group would prefer. We will do our best to accommodate your top date, however we have to schedule around our international shipments which can cause some conflicts.
