

SUSTAINING HOPE

Delivering Aid

JULY 2024

www.HandsOfHopeNW.org

Supporting Healthcare Needs Locally & Globally

At Hands of Hope Northwest, our mission is to bring relief and hope to those in dire need. In June, we successfully sent out the first of six urgent shipments to Ukraine, a nation enduring the hardships of war. This achievement was made possible through the incredible support and generosity of our donors, including local hospitals, clinics, other organizations, and individuals who have all stepped up to make a difference.

In partnership with Eltech Trust, we managed to fill a 40-foot container with a diverse array of medical supplies desperately needed by the Ukrainian people. This container, packed with essential items, symbolizes more than just physical aid—it embodies the compassion and solidarity of our community standing with Ukraine during these challenging times.

The shipment included critical supplies such as bandages, surgical instruments, IV supplies, and much more. These items will go directly to the healing hands of the healthcare heroes in Ukraine, where they will be used to treat the injured and provide care for those affected by the conflict. The impact of these supplies cannot be overstated—they are life-saving and essential for maintaining the health and well-being of countless individuals.

This endeavor is a testament to what we can achieve when we come together for a common cause. Our heartfelt thanks go out to Eltech Trust for their partnership and to all our donors for their unwavering support. Your contributions are making a tangible difference, bringing hope and healing to those who need it most.

As we continue our mission, we still have five more shipment requests to fulfill. The need for medical supplies remains critical, and we rely on your continued support to sustain this effort. Every donation, whether it's medical equipment, supplies, or financial contributions, plays a crucial role in our ability to provide aid.

Together, we are sustaining hope and delivering essential aid to Ukraine. Let's

keep this momentum going. Your generosity and commitment are the driving forces behind our mission, and together, we can bring relief and hope to those enduring the unimaginable.

Thank you for being a vital part of our mission. Let's continue to make a difference—one shipment, one donation, one act of kindness at a time.

Small Acts of Kindness **Make a Big Difference**

We are continually inspired by the small acts of kindness that make a significant impact. Recently, one individual donated handmade baby blankets crafted from fabric scraps, while another donated beautiful handmade receiving blankets. These heartfelt contributions, created with love and care, provide warmth and

comfort to the most vulnerable.

Others have shared their talents by donating crocheted adult afghan blankets and stocking caps, offering both physical warmth and emotional support to those in need. These acts remind us that it doesn't matter what your talent is—when used to help others, it becomes a powerful tool for good. We encourage you to share your gifts with us, helping to provide aid and comfort to those who need it most.

A special message from the Executive Director

Dear Friends,

I am continually inspired by the unwavering generosity and compassion of our community. Your dedication to supporting our mission, whether through donations of medical supplies, handmade blankets, or your valuable time, underscores the profound impact of small acts of kindness. Together, we are making a tangible difference in the lives of those facing adversity, both locally and globally. Thank you for your unwavering support and for being an integral part of our mission to bring hope and healing to those in need. With your continued partnership, we look forward to achieving even greater milestones and extending our reach to help more individuals and communities in the days ahead.
