THE HEART OF HANDS OF HOPE NORTHWEST

Love isn't just a feeling—it's an action. Every day, our volunteers give their time, energy, and compassion to help those in need. Whether they are repairing medical equipment, sorting supplies, or loading shipments, their dedication ensures that hope reaches people near and far.

Because of our volunteers, individuals regain mobility, clinics receive life-saving supplies, and families find relief during difficult times. A walker provided through our Giveaway Program might seem like a small act, but for someone struggling to move, it's a life-changing gift. A shipment of medical supplies to a clinic in a developing country can mean the difference between care and crisis.

Their kindness creates a ripple effect, touching lives in ways they may never see. The equipment they clean and repair today could help someone across the world regain independence tomorrow. Every effort—no matter how big or small—makes a difference.

To all who serve—thank you. Your work is love in its purest form, and we couldn't do this without you. You are the heart of Hands of Hope Northwest, and because of you, hope continues to spread to those who need it most.

Show love by giving hope ~ a helping hand, a kind word or a generous heart

HANDS OF HOPE Northwest

HELP US BRING HOPE HOME

Right now, we have the opportunity to receive a semi-truck load of vital medical supplies from Northern Idaho and Eastern Washington—but we need your help to make it happen! These supplies, including essential medical equipment and resources, will go directly to those in need, both locally and globally. However, transportation costs are a challenge, and we can't do this alone.

Without funding for transport, these life-saving supplies may not reach our warehouse, where they can be sorted, packed, and sent to individuals, clinics, and communities facing urgent medical needs. These donations make a tangible difference—providing wheelchairs for those who have lost mobility, hospital beds for patients in recovery, and critical supplies for clinics that serve vulnerable populations.

Your generosity can turn this opportunity into reality. Every dollar helps bring these supplies one step closer to those who need them most. Will you help us bring hope home? Donate today and be a part of this mission of love, healing, and care. Together, we can ensure that no resource goes to waste and that hope reaches those who need it most.

A LIFE-CHANGING GIFT

When a young man came to Hands of Hope Northwest searching for a wheelchair, his family believed it was the only solution for his mobility struggles. His crutches had become too uncomfortable, limiting his independence.

After hearing his story, one of our team members suggested an upright rollator instead. Through our Giveaway Program, we provided one—giving him the support he needed while allowing him to walk more comfortably and rest when necessary.

Thanks to our donors and supporters, we continue to provide life-changing equipment that restores hope, mobility, and independence to those in need.

—A Story from Our Staff

THANK YOU FOR BEING THE HEART OF HANDS OF HOPE NW

We want to take a moment to express our deepest gratitude to each and every one of you who make our mission possible. To our dedicated volunteers—you are the backbone of this mission. Your hard work, from sorting supplies to repairing equipment to loading shipments, ensures that hope reaches those who need it most.

To our generous donors—your financial gifts and medical supply contributions make an immeasurable impact. Because of you, individuals regain their mobility, clinics receive life-saving supplies, and communities around the world experience the love and care they desperately need.

Together, we are making a difference. Thank you for being part of this mission of love and compassion. We look forward to another year of serving, giving, and bringing hope to those in need!

AMAZON WISHLIST

Our office furniture has weathered years of use and is now showing signs of wear and tear. To revamp our workspace, we've curated a wish list on Amazon with updated pieces that will enhance productivity and comfort. Scan the code to contribute and help us create a rejuvenated office environment. This link is also on our website.
