

MARCH 2025

# Lucky to Give, Blessed to Serve

## A STRONG START TO 2025

In just a couple of months, we have already made a significant impact, both locally and globally. Thanks to the generosity of our donors, volunteers, and supporters, we have sent out \$111,050 worth of medical supplies and equipment to those in need.

Internationally, our shipments have reached communities in Burma, Cameroon, Ivory Coast, Ukraine, and Ghana, providing essential medical aid to struggling hospitals and clinics. Meanwhile, nearly \$59,000 worth of supplies have been distributed across the U.S., supporting shelters, churches, clinics, hospitals, and veterans' organizations.

Beyond medical aid, we have also played a role in ensuring students have the tools they need to succeed. By assisting schools with necessary equipment for underprivileged students and families, we are helping break down barriers so all youth can receive an education.

Each shipment, donation, and act of service reflects the heart of our mission—to bring hope and healing where it's needed most. As the year continues, we look forward to expanding our reach and touching even more lives. Thank you for being part of this journey!

## SHIPMENTS IN MOTION

Our work never slows down. Right now, we are preparing two large shipments bound for Ukraine and Papua New Guinea, delivering critical medical supplies to regions where healthcare resources are scarce. These shipments will provide hospitals, clinics, and individuals with the tools they need to care for their communities.

In addition to these major efforts, we are also sending smaller shipments to Ghana, Nigeria, and Guatemala, ensuring that even more lives are touched by the generosity of our supporters. But our mission doesn't stop overseas—we are continually providing supplies and equipment to local organizations across Idaho. From clinics and hospitals to schools and shelters, we are committed to ensuring that those in need have access to life-changing resources.

Every shipment represents more than just supplies—it's a symbol of hope, compassion, and the power of community. Thank you for being a part of this mission. Together, we are making a difference!

## JOIN US IN MAKING A DIFFERENCE

We need volunteers to help sort, count, and pack medical supplies so they can reach those in need—both locally and around the world. Every box packed is a step closer to providing life-changing aid!

Whether you can spare a few hours or commit to a regular schedule, your time makes a real impact. Gather a group, bring a friend, or come solo—we'd love to have you!

Sign up today and be part of bringing hope and health to those who need it most. Your hands can change lives!

---

## HELP US COMPLETE CRISIS CARE KITS

We need your help to gather 500 unscented feminine hygiene pads for those in need. These essential items ensure dignity and comfort for women facing hardship. Every donation makes a difference! Drop off supplies at Hands of Hope Northwest or donate online to support this cause. Together, we can meet this urgent need!

## A WORD FROM OUR DIRECTOR

As we move forward in 2025, I am continually amazed by the generosity and dedication of our Hands of Hope Northwest family. Each donation, volunteer hour, and act of kindness is making a tangible difference—both here in our community and across the world. Together, we are not just providing medical supplies; we are restoring dignity, mobility, and hope. Thank you for being a part of this mission. Let's continue to serve with grateful hearts and open hands!

## HELP US BRING HOPE HOME

Right now, we have the opportunity to receive a semi-truck load of vital medical supplies from Northern Idaho and Eastern Washington—but we need your help to make it happen! These supplies, including essential medical equipment and resources, will go directly to those in need, both locally and globally. However, transportation costs are a challenge, and we can't do this alone.

Without funding for transport, these life-saving supplies may not reach our warehouse, where they can be sorted, packed, and sent to individuals, clinics, and communities facing urgent medical needs. These donations make a tangible difference—providing wheelchairs for those who have lost mobility, hospital beds for patients in recovery, and critical supplies for clinics that serve vulnerable populations.

Your generosity can turn this opportunity into reality. Every dollar helps bring these supplies one step closer to those who need them most. Will you help us bring hope home? Donate today and be a part of this mission of love, healing, and care. Together, we can ensure that no resource goes to waste and that hope reaches those who need it most.
